can be accommodated just a *leette* better and cheaper than they could be at Memphis or New Orleans.

The subscriber is desirous of making an experiment in the sale of Drugs at this point, and all that is necessary to render it successful, is that all those who desire a good and cheap article of any description usually kept by those in his line, should drift this way and float in.

He does not believe that a customer who will try him once, will ever be induced to go any where else for any of the necessities or superfluities of life, with which his establishment is so well stocked; for he does suppose and believes most conscientiously, clearly & indubitably that he can serve a customer cheaper, better and more to the satisfaction of all parties than such a thing has been done within the recollection of the oldest inhabitant.

The period of the year is approaching when medicines are usually in demand for families and plantations, and the subscriber has taken extraordinary pains to purchase such an assortment of goods as will enable him to respond in the affirmative to every reasonable interrogatory of a customer, and he cannot see any earthly reason why the people of Panola and its vicinity should go far to forget themselves as to go fifty or five hundred miles for an article which they might get here, and save travel and trouble, and of more importance still, get a cheaper and better article by calling at the *DRUG STORE* of S. N. PEARSON.

Origin of every Disease, &

the means of cure.—In the year 1799, Le Roy clearly demonstrated that every disease, originated from impure or undigested particles, becoming mixed with the blood and fluids.—

And also, that to cure every disease, it was only necessary to open the natural outlets of the body, and allow them to remain open, by which means the blood and other fluids will release themselves from these undigested and impure particles, and a state of health will be certain to ensue.

The Royal Institute of France awarded to him for this discovery, the Gold Medal of the Institute.

This is a historical fact. An which the Brandreth Vegetable Universal Pills profess to do, is to carry out this principle, and experience has fully established them capable of it. When, therefore, a bad state of health exists in the body, all that has to be done is to continue to purge it effectually with them, and the more violent the disease, the more powerful must be the dose.

The Brandreth Pills are made entirely of Vegetable Extracts, known by long experience to be perfectly innocent, and yet of more power as a purgative, or cleanser of the alimentary canal, than any other medicine. Their effect on the system is so easy, that it is a remarkable fact that the same dose may be given to an infant or adult, without the possibility of doing any injury—but on the contrary good. Therefore in constiveness, either habitual or otherwise, and in Bilious Fevers, and all tedious affections they are of the greatest possible benefit.

In a period of little more than ten years in the United States, they have restored to perfect health and enjoyment over four hundred thousand persons who were given over by Physicians of the first rank and standing, and in many cases when every other remedy had been resorted to in vain.

The great secret is to have the medicine by you when you are first attacked with sickness; one dose then will have more good effect than twenty, if you put it off until disease has established the bodily powers; therefore every individual who considers health a blessing, should always keep a box of Brandreth's Vegetable Universal Pills, where they can be sure to find them when wanted. Twenty five cents can hot possibly be better disposed of. A valuable life may be saved, or a long fit of sickness prevented.

In the Probate Court of

Panola County, State of Mississippi April Term, 1846.

James E. Evans,

vs.

John Evans, et al

IN this case it appearing to the satisfaction of the Court that Lorenzo D. Evans, John Estis and Penelope Estis are non residents of the State of Mississippi—it is therefore ordered by the court that unless they appear at the July Term of this court and answer the allegations in the petition in the above case, the same shall be taken as confessed against them. It is further ordered by the court that notice be given in the Panola Lynx, a newspaper published in the town of Panola for sixty days.

Witness the Hon. John T. M. Burbridge Judge of said court at the court house of said county the 20th day of April A. D. 1846, and the seal of said annexed. J. C. ARMSTRONG, Clk.

ABSTRACT OF THE BILL.

The petition charges that John Evans died in Nov. 1842, leaving four children besides petitioner; that dec'd. in 18 an instrument purporting to be his last will and testament was admitted to probate on the evidence of one witness, that dec'd. left a large estate consisting of real and personal property, amounting to between seven & eight thousand dollars, that petitioner had never received but one negro girl from dec'd. That said instrument is fraudulent & not the will of the dec'd., and that dec'd. was incapable at the time of making a will, that he was not of sound and disposing mind at the time, nor for a long time previous, that defendant sought the advantage which infirmity old age and insanity had given them, obtained his signature to an instrument, the contents of which he was ignorant, and that dec'd. by strategy attempted to set up the same as his will and thereby attempt to secure to themselves the property to the exclusive of petitioner, that petitioner had delayed proceeding thus long on account of promises by defendant that they would divide with petitioner. Petitioner prays that defendant be compelled to appear at—Term of said court and answer fully the allegations in said petition and that said instrument and probate be set aside and that the property dec'd. as at law as in cases of intestates, and a general prayer for relief.

John Hubbard et al

vs.

Albert G. Ellis et al

UPON opening the matters of the Bill appearing to the satisfaction of the Court, that the heirs of David Boyd dec'd., defendants thereto, are unknown to the complainants, it is therefore ordered that unless they appear before the Vice Chancellor, at the Court Room in the Town of Holly Springs, on the first Monday in July next, and plead answer or demur to said Bill, the several allegations thereof, as to them will be taken for confessed, and such order and decree made therein, as shall seem reasonable and just.

And it is further ordered, that a copy of this order be inserted in the "Panola Lynx" News paper, published in the town of Panola, once a week for two months successively.

HANNIBAL HARRIS, Clerk.

ABSTRACT OF THE BILL.

The Bill charges: that said Boyd purchased lots, Nos 10 11 & 12, in Block No. 2, in the town of Panola, Panola County, with money in his hands belonging to complainants, Hubbard and one William Morgan, since dec'd and took title in his own name; that since Boyd's death, said lots have been sold at Sheriff's sale, as his property, to satisfy a judgment recovered against him, in his life time, (but which was not revived by *scire facias*) and purchased by Defendant Ellis, who thereupon took immediate possession, and has enjoyed the rents and profits ever since; that Complainants, James & William Morgan, are the only heirs at law, of said William Morgan dec'd.

PRAYER: That the deed from the Sheriff to Ellis, be cancelled and held for naught; that he Ellis, account for rents and profits, that the legal title be conveyed to complainants and for general relief.
